Pastor Dominic Pace, Discipleship & Family Pastor of Resurrection Life Church in Big Rapids, offered the following invocation:

“Heavenly Father we come before You today and ask that Your blessing be on this legislature, on our great state and on our country. We echo the prayer of Your servant Solomon who asked only for a discerning heart and to distinguish between right and wrong. We pray for Your wisdom and blessing on this house, help them to know what is right and give them the strength to do it. When opposition comes I pray that they find common ground, for the common good. I pray that they look past party lines and look at the people whom they represent, as their goal. I pray that You bless them and their families today and from this day on. I pray this in the name of Your Son, our Savior, Jesus Christ.-Amen.”

Messages from the Senate

Senate Concurrent Resolution No. 32.

A concurrent resolution of tribute offered as a memorial for Burton Leland, former member of the House of Representatives and the Senate.

Whereas, It is with great sadness that the members of the Michigan Legislature learned of the passing of Burton Leland. He was a vocal and passionate advocate for his constituents in Detroit and Wayne County for 26 years while serving in the House of Representatives and the Senate; and

Whereas, A native Detroiter, Burton Leland earned a bachelor's degree in business from Wayne State University and then a master's degree in social work from the University of Michigan. He pursued a career helping those in need in his community as a social worker before deciding to seek election to the House of Representatives in 1980, where he served until his election to the Senate in 1998; and

Whereas, During more than two decades in Lansing, Burton Leland was known as someone unafraid to speak his mind and challenge the status quo. Despite his sometimes combative approach to legislating, he made personal connections with everyone, even those with whom he disagreed. He sponsored dozens of public acts, including the state's Lemon Law for automobiles in 1986. Burton Leland chaired the City Government, Colleges and Universities, and Transportation committees in the House, as well as the Joint Committee on Administrative Rules. He also served on numerous other committees during his time in both chambers, covering issues such as public health, social services, consumer protection, financial institutions, energy and technology, elections, and economic development to name a few; and

Whereas, Burton Leland remained in public service after leaving the Legislature, serving 11 years on the Wayne County Commission before retiring in 2018, concluding more than 37 years working on behalf of the people of Detroit and Wayne County. His passion for higher education never wavered, as he routinely donated to a scholarship fund at Wayne State University that bears his name; and

Whereas, Burton Leland was an energetic and caring leader who went to bat for his constituents and people in need during his entire career. Upon his passing, we offer our condolences to his family and friends. We hope that they may find comfort in the knowledge that the community as a whole shares in their bereavement and that the legacy of Burton Leland's contributions will long continue to enrich our state; now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That we offer this expression of our highest tribute to honor the memory of Burton Leland, member of the House of Representatives from 1981 to 1998 and the Senate from 1999 to 2006; and be it further

Resolved, That copies of this resolution be transmitted to the Leland family as evidence of our lasting esteem for his memory.

The Senate has adopted the concurrent resolution.

The question being on the adoption of the concurrent resolution,

The concurrent resolution was adopted by unanimous standing vote.

The Speaker and the entire membership of the House of Representatives were named co-sponsors of the concurrent resolution.

By unanimous consent the House returned to the order of

Motions and Resolutions

By unanimous consent the House considered **House Resolution No. 300** out of numerical order.

Reps. Moss, Wittenberg, Greimel, Sowerby, Glenn, Zemke, Camilleri, Greig, Hoadley, Jones, Allor, Calley, Canfield, Chang, Clemente, Cochran, Cox, Crawford, Elder, Ellison, Faris, Frederick, Garcia, Garrett, Gay-Dagnogo, Geiss, Hertel, Howrylak, Kahle, Kesto, Lasinski, Lauwers, Liberati, Love, Maturen, Peterson, Rabhi, Sabo, Singh, Sneller, Webber and Whiteford offered the following resolution:

House Resolution No. 300.

A resolution to declare April 11, 2018, as Holocaust Remembrance Day in the state of Michigan.

Whereas, The horrors of the Holocaust should never be forgotten. The Holocaust was the state-sponsored systematic persecution and annihilation of European Jewry by Nazi Germany and its collaborators during the years 1933 through 1945. This resulted in the extermination of six million Jews and their potential decedents. The world's Jewish population was reduced by one-third. Poland, home to the largest Jewish community before World War II, lost 90 percent of its Jewish population. Greece, Yugoslavia, Hungary, Lithuania, Bohemia, the Netherlands, Slovakia and Latvia each lost more than 70 percent of their Jewish population; and

Whereas, Millions more suffered grievous oppression and death under Nazi tyranny based on their religion, including Catholic priests, Christian pastors, and Jehovah's Witnesses; their national origin, including Poles, Soviets, Ukrainians and Sorbs; their ethnicity and culture, including the Romani people; their political beliefs, including courageous resisters and government dissidents; their physical appearance, including those with disabilities; and their sexual orientation and gender identity; and

Whereas, The history of the Holocaust allows us to reflect on the moral and ethical responsibilities of individuals, societies, and governments. It also serves as an important reminder of what can happen when we allow bigotry, hatred, and indifference to enter and conquer our societies. It is crucial to educate all citizens about the horrors of genocide and to instill values of tolerance and acceptance in our state's every-changing and diverse population; and

Whereas, The Michigan Legislature enacted PA 170 of 2016, which provided that the board of a school district or board of directors of a public school academy shall ensure that the school district's or public school academy's social studies curriculum for grades 8 to 12 includes age- and grade-appropriate instruction about genocide, including, but not limited to, the Holocaust and the Armenian Genocide; and

Whereas, PA 170 of 2016 also created the Governor's Council on Genocide and Holocaust Education, a temporary commission, whose tasks include identifying and notifying schools about resources for teaching about genocide and the Holocaust; and to engender and coordinate events, activities, and education that will appropriately memorialize the victims of the Holocaust, such as observance of Holocaust Remembrance Day; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 11, 2018, as Holocaust Remembrance Day in the state of Michigan; and be it further

Resolved, That in honor of the victims of the Holocaust, the survivors, and their liberators, the citizens of Michigan should reflect upon this terrible event and strive to overcome hatred and intolerance through learning and remembrance.

The question being on the adoption of the resolution,

The resolution was adopted.

By unanimous consent the House considered **House Resolution No. 299** out of numerical order.

Reps. Howrylak, Allor, Canfield, Chang, Clemente, Cochran, Cox, Crawford, Elder, Ellison, Faris, Garrett, Gay-Dagnogo, Geiss, Greig, Hertel, Jones, Kahle, Lasinski, Lauwers, Liberati, Love, Maturen, Sabo, Singh, Sneller, Theis, Webber, Whiteford, Wittenberg, Yaroch and Zemke offered the following resolution:

House Resolution No. 299.

A resolution to declare April 2018 as Michigan Student Athlete Cardiac Awareness Month in the state of Michigan.

Whereas, The state of Michigan has lost at least 68 students to sudden cardiac arrest and related causes since December 1999. Those students lost include: 15-year-old Kimberly Anne Gillary, a student of Troy Athens High School who suffered a sudden cardiac arrest in a high school water polo game at Birmingham Groves High School on April 1, 2000; Kayla Stanford, a student at Ypsilanti East Middle School, who suffered a cardiac arrest after completing track practice on March 29, 2006; Thomas Noah Smith, a student of Flushing High School, who suffered a sudden cardiac arrest on January 29, 2011; and Wes Leonard, a student at Fennville High school who suffered a sudden cardiac arrest after scoring the winning basket in a basketball game on March 3, 2011; and

Whereas, The families of Kimberly Anne Gillary, Kayla Stanford, Thomas Noah Smith, and Wes Leonard have established Foundations (the "Foundations") in the memory of their lost sons and daughters to try to prevent other families from losing their sons and daughters to sudden cardiac arrest at school; and

Whereas, The Foundations have donated more than 935 Automated External Defibrillators (AEDs) to high schools and intermediate schools in the state of Michigan and have provided training to teachers and staff on the use of an AED and in CPR; and

Whereas, Approximately 75% of all Michigan high schools now have at least one AED on site due to the efforts of the Foundations founded by the families; and

Whereas, There have been at least 14 lives saved at Michigan high schools as a result of AEDs donated by the Foundations and other concerned organizations including 12 students; and

Whereas, As a result of the efforts of the Foundations, the Michigan Department of Health and Human Services (MDHHS), and the Michigan High School Athletic Association (MHSAA), there is an increased awareness of the importance of more effective pre-participation screening of our high school student athletes and of having readily available AEDs in our high schools; and

Whereas, The Foundations have worked with the Michigan Department of Health and Human Services to develop the Michigan HeartSafe School Program and to encourage Michigan high schools to receive certification as a Michigan HeartSafe School. To date there are at least 265 K-12 schools in Michigan that have received the MI HeartSafe School designation; and

Whereas, The Michigan Legislature has passed legislation to amend MCL 29.19 to require the governing body of any school in Michigan for grades kindergarten to 12 to adopt and implement a Cardiac Emergency Response Plan for the school; and

Whereas, Governor Snyder signed legislation to amend MCL 29.19 on February 25, 2014, thereby establishing that it is the public policy of Michigan that schools be adequately prepared to respond to a cardiac emergency on school property; and

Whereas, Lt. Governor Brian Calley signed Senate Bill No. 647 into law on December 28, 2016. It is now Public Act 388 of 2016 and requires all students in grades 7-12 to receive instruction in cardiopulmonary resuscitation (CPR) before graduation; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 2018 as Michigan Student Athlete Cardiac Awareness Month in the state of Michigan; and be it further

Resolved, That the people of the state of Michigan are encouraged to become more aware of the importance of improved pre-participation screening of our student athletes and the preparedness of our citizenry and public employees to respond to the sudden cardiac arrest of our sons and daughters while entrusted to our public schools in the course of their education; and be it further

Resolved, That the State Board of Education be urged to include provisions in policies and regulations for AED training in student health education courses and for regular AED drills, so that students and staff will be better prepared to use AEDs to save lives in schools and other public places; and be it further

Resolved, That copies of this resolution be transmitted to The Kimberly Anne Gillary Foundation, The KAYLA Foundation, The Thomas Smith Memorial Foundation, The Wes Leonard Heart Team, the Michigan High School Athletic Association, the Michigan Department of Health and Human Services, and the State Board of Education as a symbol of our support.

The Speaker called Associate Speaker Pro Tempore Glenn to the Chair.

Reps. Cox, Pagan, Marino, Wittenberg, Greimel, Zemke, Jones, Allor, Calley, Canfield, Chang, Clemente, Cochran, Crawford, Ellison, Faris, Geiss, Greig, Hertel, Howrylak, Kahle, Kesto, Lasinski, Lauwers, Liberati, Maturen, Moss, Singh, Sneller, Sowerby, Theis, Webber, Whiteford, and Yaroch offered the following resolution:

House Resolution No. 297.

A resolution to declare April 2018 as Campus Sexual Assault Awareness and Prevention Month in the state of Michigan.

Whereas, Campus sexual violence is a prevalent and serious public health concern. According to an Association of American Universities (AAU) report, 11.2 percent of all students experience rape or sexual assault through physical force, violence, or incapacitation (among all graduate and undergraduate students); and

Whereas, Among undergraduate students, 23.1 percent of females and 5.4 percent of males experience rape or sexual assault through physical force, violence, or incapacitation; and

Whereas, A report by the U.S. Department of Justice found that only 20 percent of female student survivors age 18-24 report to law enforcement; and

Whereas, The long-term effects of sexual assault can impact students in a variety of ways including physically, mentally, and academically; and

Whereas, Colleges and universities are in a unique position to help create and foster an environment where sexual abuse is intolerable and prevention is a priority. Effective strategies can help address the root causes of sexual violence and a change in culture is crucial to ending campus sexual assault; and

Whereas, We must work with our colleges and universities to educate our entire population about what can be done to prevent sexual assault, support survivors, and ensure that survivors are not re-victimized. When we actively increase education, awareness, and community involvement, we can help prevent sexual violence and create a safer environment for everyone; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 2018 as Campus Sexual Assault Awareness and Prevention Month in the state of Michigan. We strongly support the efforts of national, state, and local partners, and of every citizen to actively engage in public and private efforts to prevent sexual violence on college campuses and will take appropriate action and support one another to create a safer environment for students, faculty, staff, and surrounding communities.

Reps. Pagan, Cox, Greimel, Zemke, Wittenberg, Jones, Allor, Calley, Canfield, Chang, Clemente, Cochran, Elder, Ellison, Faris, Garrett, Gay-Dagnogo, Geiss, Greig, Hertel, Howrylak, Kesto, Lasinski, Liberati, Love, Maturen, Moss, Rabhi, Sabo, Singh, Sneller, Sowerby, Theis, Webber, Whiteford and Yaroch offered the following resolution:

House Resolution No. 298.

A resolution to declare April 2018 as Sexual Assault Awareness Month in the state of Michigan.

Whereas, Sexual Assault Awareness Month calls attention to the fact that sexual violence is widespread and impacts women, children, and men of all racial, cultural, and economic backgrounds; and

Whereas, The term sexual assault refers to sexual contact or behavior that occurs without explicit consent of the victim; and

Whereas, According to the National Institute of Justice & Centers for Disease Control & Prevention's Prevalence, Incidence and Consequences of Violence Against Women Survey, one out of every six American women has been the victim of an attempted or completed rape in her lifetime and approximately 3 percent of American men or 1 in 33, have experienced an attempted or completed rape in their lifetime; and

Whereas, Child sexual abuse prevention must be a priority to confront the reality. From 2009-2013, Child Protective Services agencies substantiated, or found strong evidence to indicate that, 63,000 children a year were victims of sexual abuse and a majority of child victims are ages 12-17. Of victims under the age of 18, 34 percent of victims of sexual assault and rape are under the age of 12 and 66 percent of victims of sexual assault and rape are ages 12-17; and

Whereas, Michigan State Police statistics indicate that 11,873 sexual assault related offences were reported to law enforcement in 2013; and

Whereas, Sexual violence can deeply and enduringly impact survivors on psychological, emotional, and social levels. Ninety-four percent of women who are raped experience post-traumatic stress disorder (PTSD) symptoms during the two weeks following the rape and approximately 70 percent of rape or sexual assault victims experience moderate to severe distress, a larger percentage than for any other violent crime studied in the National Crime Victimization Survey by the Bureau of Justice Statistics. Access to informed and supportive services can greatly increase survivors' ability to heal from sexual assault; and

Whereas, Sexual violence is an intolerable violent crime with public health implications for every person in Michigan. Our state and individual communities must be committed to hold sexual assault perpetrators accountable for their heinous crimes; and

Whereas, When we actively increase education, awareness, and community involvement, we can help prevent sexual violence and create a safer environment for everyone. We must work together to educate our entire population about what can be done to prevent sexual assault, support survivors, and ensure that survivors are not re-victimized; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 2018 as Sexual Assault Awareness Month in the state of Michigan. We strongly support the efforts of national, state, and local partners, and of every citizen, to actively engage in public and private efforts to prevent sexual violence and will take appropriate action and support one another to create a safer environment for all.

House Resolution No. 301.

A resolution to declare April 11-17, 2018, as Black Maternal Health Week in the state of Michigan.

Whereas, According to the Centers for Disease Control, black mothers in the U.S. die at three to four times the rate of white mothers; and

Whereas, The 2011-2013 CDC data for pregnancy-related death, there were 12.7 deaths per 100,000 live births for white women, 43.5 deaths per 100,000 live births for black women, and 14.4 deaths per 100,000 live births for women of other races; and

Whereas, Black maternal death is one of the widest of all racial disparities in women's health; and

Whereas, Black women are 22 percent more likely to die from heart disease than white women, 71 percent more likely to die from cervical cancer, but 243 percent more likely to die from pregnancy- or childbirth-related causes; and

Whereas, According to the National Institutes of Health, when compared with white women with the conditions of preeclampsia, eclampsia, abruptio placentae, placenta previa, and postpartum hemorrhage, which are common causes of maternal death and injury, black women were two to three times more likely to die than white women who had the same condition; and

Whereas, In the state of Michigan, according to the Michigan Maternal Mortality Surveillance Project, between 1999 to 2010 black women experienced a pregnancy-related mortality rate of 50.8 per 100,000 live births compared to 16.6 per 100,000 live births for white women, as late as 2016; birthrates in the city of Flint alone are down 50% from 2016, and 32% of black women died within 24 hours of giving birth, compared to 21% of white women; and

Whereas, The U.S. ranks 64th in the world for maternal death and Michigan ranks 8th in the nation for maternal death, Michigan is 3rd overall in the U.S. for its high rate of maternal death of black women; and

Whereas, These alarming statistics for black maternal health cut across socio-economic status, maternal age, and education levels; and

Whereas, The Michigan Legislature recognizes the necessity for the increased attention to the state of Black maternal health in the state of Michigan, studying and understanding the root causes of poor maternal health outcomes, and supporting community-driven programs, care solutions, improving prenatal care and overall maternal healthcare, improving breastfeeding rates and nutrition, and amplifying the voices of Black mothers, women, families and stakeholders including black women from across the diaspora and Afro-Latinx groups; and

Whereas, The Michigan Legislature recognizes the necessity to end maternal mortality globally to amplify the need for maternal health and rights; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 11-17, 2018, as Black Maternal Health Week in the state of Michigan.
